Hey Clerk of Martinsville General District Court,

I am Roberta Hill, Brian's mother. I am filing this Motion for Contempt Proceedings for evidence destruction through email to you on Brian's behalf due to his federal probation conditions where he is not allowed to use the internet. He is having me file this pleading on his behalf. My son is having me to serve the respondents through email as well and the certificate of service is in the pages 18 and 19 of the PDF file of this filing. This email is also being sent to the Respondents to serve them a copy of this pleading, and may also be faxed as well by Brian D. Hill in the event that email may fail. I know your probably going to say that you cannot accept any filings after my son appealed it but the original Court order that was violated came from your Court. If the General District Court gave an order that was violated by an officer of the court, the only Court that can charge that officer with contempt of Court would be the original Court. Brian says he hopes the GDC will sanction the party who violated the GDC Court ruling. Who else will bring a contempt proceeding?

To Clerk: Please confirm by read receipt or response message confirming that you have received this. Thank You!

Those emailed by CC are not parties to the case but are interested in watching the case and it's filings with the Clerk's Office. My son is pushing for investigations right now. That is all he is willing to say. It also gives multiple witnesses to the receipt of the filings, as a protection mechanism.

Note: If you see any criminal activity or corruption going on in the Legal System or in Government, please report these tips to Project Veritas at VeritasTips@protonmail.com, or go to Project Veritas website.
